EVENT: Four Leaf Clover Street Day Appeal

Our annual "Four Leaf Clover Street Day Appeal" was on Friday 19 March. We collected a total of \$28,000 on the day which is a great result!

RESULT!

We appreciate all the help from our collectors and volunteers being on the street collecting and would like to say a very big thank you!

All money raised goes toward supporting our two field workers who support people and families in the Wellington region effected by Multiple Sclerosis.

BNZ Johnsonville kindly agreed to run a sausage sizzle on the day of the appeal.

EVENT: Charlotte Hinksman Completes Mt Lowry CLASSIC Challenge

A good friend and supporter of the Wellington MS Society, Charlotte Hinksman completed the Mt Lowry CLASSIC Challenge on the 28th of March. The race course is over of 11.75km with a steep 400m climb and is Wellington's premier mountain run.

In Charlotte's own words 'I am running up a steep mountain - something I have never done before - to raise money for people with MS'. Not only had she never done such an event before, but she also did it with a leg injury, now there's dedication for you!

Charlotte raised \$250 for the Wellington MS Society for which we are very grateful. Thank you Charlotte, you're a star!
